# Northwind Harbor Logistics Ltd - Audit Report (SYNTHETIC)

SYNTHETIC DEMONSTRATION DATA — fictional people and organizations.

Executive summary
The audit reviewed payment flows between January and June 2025.
Two payments to Halcyon Trading GmbH were significantly larger than typical invoices.
Methodology: invoices were matched against bank statements and customs filings.

Findings

Finding 1: Jonathan Mercer approved both large payments.

Finding 2: Supporting documentation for the second payment was incomplete.

Conclusion: Further review by Saltmarsh Consulting is recommended.
